Letter No: 46/2021

11th October 2021

Dear Parents and Carers,

We are really committed to ensuring that the quality of education we offer at Sandringham is the best it can be for your child or children. I am writing to you to ask for your feedback about Sandringham's curriculum in particular. By the curriculum, I mean the taught subjects in your child's timetable and also the extra-curricular and other opportunities we provide in addition.

I would be really grateful if you could give up just a few minutes of your time to answer a very short and important survey (linked below) about your perception of our school's curriculum. If you have more than one child at the school, you only need to complete the survey once – there is an option for you to select which years your child or children are in.

This survey has been designed in conjunction with our Multi Academy Trust – the Alban Academies Trust – in order to build our knowledge of the curriculum from all stakeholders' perspectives. The responses will be important in shaping our curriculum offer going forward. For information, a very similar survey is also going to students and staff in the coming weeks.

Thank you in advance for completing the survey.

Yours sincerely,

Dr Caroline Creaby
Deputy Headteacher
