

Sandringham School
Second-Hand Uniform Shop
September 2016

We have a great selection of used, good quality school uniform which is now available for a small donation to Sandringham School.

Please come along to student services and replace your outgrown blazers, trousers, skirts, P.E. kits, etc, and help raise money for the school.

Alternatively, please phone on 01727 799560 x 264 and I will endeavour to find suitable replacements for you!
