

All Sixth Form students are expected to set an example to the rest of the school through their high standard of business like dress and the way they present themselves.

The intention of the sixth form dress code is to maintain the smart appearance of the lower school years but allowing a degree of flexibility, in acknowledgement of the progression towards higher education or the world of employment. A sixth form student should be able to leave the school site and immediately attend a formal interview without having to change their appearance.

All students must also recognise the dress codes of our Consortium partner schools, when attending their establishments.
