Dear parents/carers and students,

Welcome to Sandringham – Part 2

I am delighted to welcome you all to Sandringham School! As Mr Gray mentioned in his letter last week, I have been busy contacting all of your teachers at your primary schools and hearing a plethora of brilliant things about all of the students joining us in September. I have been struck by how many comments from your current teachers highlight what exceptional young people will be starting at Sandringham in the next academic year. I am sure the Class of 2020 will be the best year group that Sandringham has ever had!

In this letter, I would like to share with you a number of things. Firstly, at [this link](#) you will find a video from me (and a very special guest member of staff) that details what you can expect as a student of Sandringham School. I hope it serves to get you excited!

In addition to this, we are now at the point in the process where we would like to know more about you, from you. With this in mind, please can I ask that you all complete the survey at [this link](#). This survey asks lots of questions that are designed to not only enable us to get to know you more, but also find out information that will help us with our next task; constructing the tutor groups of your new year group. As you will see from the survey, we are asking you for the names of 2 individuals from any school joining Sandringham that you would like to be in a tutor group with in September. We try our very best to place you with at least one of your friendship choices, but I am afraid we cannot always guarantee it. For the many of you who are coming on your own from your current school, please do not worry, we will carefully consider who you are placed with so that you are matched with students who have similar interests to you. Please make sure this survey is completed by **3pm on Monday 1st June**. If we do not hear from you, we will assume that you do not mind which tutor group you are placed in.

One of the concerns that parents and carers may have at this time is the acquisition of the Sandringham School uniform. Please see the flyer attached to this email for guidance on how you can go about booking some time at Stevensons. To keep up to date on relevant information, please visit your website page at [this link](#). We regularly update it with any important detail that you need to be aware of.

Finally, having heard so much about each of you, I am so excited to meet you all!

With best wishes,

Mr Stuart Kemp
Assistant Headteacher
