

Become a partner in success at BeauSandVer

Do you work hard?
Can you work independently?
Can you work as part of a team?
Do you have good problem solving skills?

Are you resilient?
Do you have a thirst for knowledge?
Would you like to study in an environment with a university ethos?

If the answer to these questions is yes, the BeauSandVer Education Trust will offer you an exciting and challenging Sixth Form over the next two years.

Deciding what courses to take and where to study can be difficult. We hope this guide will help you to understand why choosing to join BeauSandVer is right for you. We offer:

- Challenge for all students
- High academic standards
- Intelligent use of technology
- Staff dedicated to learning
- Support and guidance in study skills
- A wide range of subjects and courses giving maximum choice
- Free transport between sites at break and lunch times
- Outstanding pastoral support and careers guidance
- Excellent relationships between students and staff
- Excellent learning, drama, music and sport facilities
- A warm and welcoming community
- Specialists in languages, the arts, maths, science, and technology
- The strengths of three schools in one trust
- A world class education

What our students say about us:

“Sixth Form is a great experience, even in the short time I’ve been here I’ve learnt so much about myself. The work is challenging but definitely worthwhile.”

“The Sixth Form is a warm welcoming area where everybody gets along. There is always support and advice offered by teachers and fellow students, making it such a good place to learn.”

“At first I was anxious about how long it would take for people to accept me, but as soon as students and members of staff realised I was new, they made a real effort to welcome me and show an interest in me. I made the right choice.”

The subjects we usually offer are:

Art	Product Design	CTEC/ BTEC Sport
Photography	Media	BTEC Business
Textiles	Dance	BTEC Creative Digital Media Production
English Language	Drama	Applied ICT (Cambridge Technical)
English Literature	Biology	
Physics	Philosophy & Ethics	
Music	Chemistry

Maths	French	EPQ
Further Maths	German	Mathematical Studies
Economics	Spanish	Financial Studies
Economics & Business	Politics	Young Enterprise
Business	Sociology	Duke of Edinburgh's Award
Computer Science	Psychology	Engaging Minds Lectures
Geography		Sport
History		

General entry requirements

All three BeauSandVer Trust schools are comprehensive and admit a wide ability range to their Sixth Forms. However, in general terms, we require applicants to have grade 6 or better in the subjects they wish to study, or their closest GCSE equivalent. In addition, students need to have achieved a **minimum average point score of 5+ if they wish to study A levels (excluding separate sciences), and average point score of 6+ if they wish to choose any A Level subjects, including separate sciences.** For those students with an average point score of 4 – 4.99, students can choose three subjects which must include at least one BTEC or CTEC qualification. Specific entry requirements can be found on the BeauSandVer website at www.beausandver.org.uk.
