Subject: Fine Art GCSE

Year group: 10

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<p><b>Content</b></p> <p><i>Declarative Knowledge – 'Know What'</i></p>	<p><b>Edexcel Component 01: Personal Portfolio (60% weighting)</b> <b>The Natural World</b> Foundation Skills Students are introduced to the aims and objectives of the personal portfolio. Students will explore their initial thoughts to the theme 'The Natural World' Students will be introduced to a range of key artists that relate to the theme. Students will be introduced to key processes and techniques which will give them a foundation of knowledge to build their portfolio. Students will commence a series of observational studies of natural forms in a variety of media and sizes. Students will begin to share their own ideas in order to begin to personalise their responses.</p>	<p><b>Edexcel Component 01: Personal Portfolio (60% weighting)</b> <b>The Natural World</b> Foundation Skills Students will build on the foundation of skills from Autumn term one and apply this to the development of their own ideas as they explore them within their sketchbooks. Students will complete sustained analysis in both visual and written form. Students will present information from a gallery visit which will inform their ideas. Observational studies of natural forms in a variety of media and sizes. Skills building workshops.</p>	<p><b>Edexcel Component 01: Personal Portfolio (60% weighting)</b> <b>The Natural World</b> Sustained Piece Students will reflect on their ideas and use their sketchbook and study sheets to plan a developmental piece that reflects their ideas.  Students will complete a developmental piece in a media of their choice and most appropriate to their researched context to assist them in developing a personal response.  Skills buildings workshops.</p>	<p><b>Edexcel Component 01: Personal Portfolio (60% weighting)</b> <b>The Natural World</b> Sustained Piece Students develop a 2D outcome based upon their work so far. Students will review and refine all of their work and complete exploratory work resulting in a range of 2D and 3D outcomes. The focus here is the most appropriate media selection to realise their personal intentions.</p>	<p><b>Edexcel Component 01: Personal Portfolio (60% weighting)</b> <b>The Natural World</b> Development of Idea/ Review and Refinement Students reflect upon their portfolio and outcomes so far to develop an idea for a final piece.  Students ensure that their portfolios are fully updated and work with teachers to identify areas for improvement in relation to the assessment objectives.</p>	<p><b>Edexcel Component 01: Personal Portfolio (60% weighting)</b> <b>The Natural World</b> Development of Idea/Review and Refinement  Students reflect upon their portfolio and outcomes so far to develop an idea for a final piece.  Students ensure that their portfolios are fully updated and work with teachers to identify areas for improvement in relation to the assessment objectives.</p>
<p><b>Skills</b></p> <p><i>Procedural Knowledge – 'Know How'</i></p>	<p>Visual Recording Skills In producing a variety of sustained studies students will develop understanding of the ways in which meanings, ideas and intentions can be communicated through visual and tactile language, using formal elements, including: o colour o line o form o tone o texture</p>	<p>Visual Recording Skills In producing a variety of sustained studies students will develop understanding of the ways in which meanings, ideas and intentions can be communicated through visual and tactile language, using formal elements, including: o colour o line o form o tone o texture</p>	<p>Students explore the characteristics, properties and effects of using different media, materials, techniques and processes, and the ways in which they can be used in relation to their own creative intentions and chosen area(s) of study in relation to the starting point of The Natural World.</p>	<p>Students explore the characteristics, properties and effects of using different media, materials, techniques and processes, and the ways in which they can be used in relation to their own creative intentions and chosen area(s) of study in relation to the starting point of The Natural World.</p>	<p>Students collect and make studies from visual information to help them develop their own ideas and plan a final piece.</p>	<p>Students collect and make studies from visual information to help them develop their own ideas and plan a final piece.</p>
<p><b>Key Questions</b></p>	<p>How have artists been inspired by the Natural World? What outcomes have been produced as a response to the natural world? What types of media have artists explored to record from the Natural World around them?</p>	<p>How have artists experimented with a variety of media to develop personal outcomes?</p>	<p>How can you review and refine your piece to develop it further? How have you developed your ideas in relation to the work of artists and studied contexts?</p>	<p>What ideas might you gain from the work you have so far to further develop your personal response?</p>	<p>Reflecting on all of your work so far- which are the pieces that you need to refine and improve?</p>	<p>Reflecting on all of the ideas and artists that you have looked at so far- which are the key artists that you would like to move forward with in order to produce your final personal response?</p>
