Dear Parent/Carer,

Years 10 – 13 Careers Guidance: Morrisby Online Profile

As part of Sandringham Careers Education, students in Years 10 – 13 have the opportunity to take the Morrisby online assessment. This is a psychometric test that provides objective information about a person that is difficult to obtain any other way. It is designed to complement the core careers provision already on offer at Sandringham by providing additional advice and guidance.

The assessment will be taken online at home between **Wednesday 14th – Sunday 18th April**. A fee of £47 is payable via ParentPay, which includes:

- The Morrisby online assessment.
- A 15-minute individual discussion about the significance of their results with a specialist careers advisor, who will also endeavour to answer any questions they might have on their future choices. This will take place via an online meeting during the week of 26th – 30th April. Dates and times will be confirmed nearer the time once we have final numbers of participants.
- A lifetime login to the online support site at www.morrisby.com. Students will be able to see their assessment results and suggestions on suitable careers, subjects and degree courses. A PDF report downloadable from the site explaining your child's test results will be available after the session.

The Morrisby assessment is not like an exam in that there is no pass or fail. The profiling exercise looks at a person's different abilities comparing them with another. The scientific analysis of the results then provides genuine insights into potential future work performance. For further information, please see the leaflets attached or go to www.morrisby.com.

If you would like your child to access this service, please register by Friday 19th March via the link below and make your payment at www.parentpay.com

If your son or daughter is eligible for Pupil Premium funding, please contact Louise Turner, Pupil Premium Coordinator, who will be able to arrange funding to cover the aforementioned cost.

Information on how to access and take the Morrisby Profile will be sent directly to parents and students the week of the assessment.

Yours sincerely
