26th February 2021

Dear Parent / Carer,

Brilliant Club Tutoring Programme Summer 2021

I am writing to inform you that your child has been selected to be part of the Brilliant Tutoring programme in the summer term 2021. Students will work in groups of three and will receive 15 hours of additional tutoring in **Chemistry** for an hour after school each week. The day and time of your child's session will be confirmed once we have the confirmed list of students who wish to take up this invaluable additional support to their learning post school closures. Sessions will run from 3.15pm – 4.15pm or from 4.15pm – 5.15pm. There will be a couple of weeks with extended sessions to make up the 15 hours available to them.

The tutoring takes place virtually and students can either stay behind at the end of the day or complete the session from home. This opportunity will greatly enhance their progress in-line with their work in class and the tutoring supports the stretch and challenge of students in their preparation for GCSE examinations.

Please can you confirm if you would like your child to take part in this programme and we will then send through specific details before the Easter holiday. The programme is being paid for by the school and subsidised by the National Tutoring programme. There is no cost to families.

I look forward to hearing from you.

Yours sincerely,

Karen Paul
Assistant Headteacher

Please return by email or hand to Mrs Karen Paul, Assistant Headteacher or Student Services

Name of child: Tutor Group:

I give permission for my child to take part in the Brilliant Tutoring programme and they will commit to one hour after school each week in the summer term 2021.

Signed

Parent/Guardian
