

Sandringham School

## COVID-19 Catch Up Premium

In June 2020 the government announced a £1 billion nationwide package of funding to 'tackle the impact of lost teaching time.' Sandringham School has been allocated £93,600, to be received in three tranches over the course of the 2020-21 academic year.

Schools are free to decide how best to use this funding, as long as they do so in accordance with the requirement that it is used to provide activities which will help students in Years 7-11 catch up on missed schooling.

This document sets out how Sandringham School has allocated the COVID-19 Catch Up Premium for 2020-21. The funding is allocated into three areas: teaching, targeted strategies and wider strategies in line with guidance from the Education Endowment Foundation [here](#).

Academic Year	No. of students	Allocated fund
2020-21	1170	£93,600

### Teaching - Total £29,000

Description	Anticipated Impact	Estimated Cost
CPD: Blended Learning 2.0 and effective use of whiteboards	This CPD will ensure that teachers are able to deliver high quality lessons to all students remotely and back in the classroom. This CPD will focus on effective teaching including explanations, modelling scaffolding, assessment and feedback.	In-house delivery - Part of the adjusted CPD offer for all staff in 2020-21
New smart boards in all classrooms in Maths, English and Science	These new smart boards will enable teachers to maximise quality first teaching through high quality explanations and modelling in class	I, D and C1 and C3 - £21,500 H Block - £2,500

**Sandringham School**

Additional staff iPads to be used for modelling	These can be used to increase the quality and quality of modelling and feedback. These can be useful in a socially distanced classroom or when teaching remotely to ensure high quality first teaching.	£250 per device £5,000 (£3,810 spend to date)
---	---	--

**Targeted Support - Total £63,400**

Description	Anticipated Impact	Estimated Cost
Year 7 catch up activities	To close the key numeracy and literacy gaps for students new to the school, and in line with usual provision for Year 7 students	£5,000
Additional English teaching for targeted one to one and small group tutoring	We have allocated six additional hours of staffing to be used to address gaps emerging from lockdown with targeted one-to-one and small group teaching and a specialist English teacher	£15,000
Additional Science teaching for targeted one to one and small group tutoring	We have allocated five additional hours of staffing to be used to address gaps emerging from lockdown with targeted one-to-one and small group teaching and a specialist English teacher	£12,500
KS3/4 catch up tutoring - National Tutoring Programme tuition for 72 students across Years 7-10 to begin the summer term 2021 from Fleet Tutors	Close knowledge gaps in core subjects (English, maths and science).	£6,000 (subsidised by National Tutoring Programme)
KS3/4 catch up tutoring for students with High Prior Attainment - NTP tuition through The Brilliant Club	Close knowledge gaps in core subjects (English, maths and science).	£6,000 (subsidised by National Tutoring Programme)
Virtual tutoring through Academy 21	To support a number of Year 11 students who are not attending school and do not have home schooling support	£3,000

**Sandringham School**

Year 12 student tutors of Year 10	Training Year 12 students to tutor Year 10 students in specific topics to address gaps in core Ebacc subjects: Maths, English, Science, MFL, History, Geography and Computer Science	£5,900 (supported by schools funds)
Adult one to one tutoring: Maths Year 11	To close knowledge gaps and provide dedicated practice in the lead up to final assessments.	£10,000
Adult one to one tutoring: Science Year 11	To close knowledge gaps and provide dedicated practice in the lead up to final assessments.	
Adult one to one tutoring: English Year 11	To close knowledge gaps and provide dedicated practice in the lead up to final assessments.	

**Wider Strategies - Total £5,000**

Description	Anticipated Impact	Estimated Cost
Wellbeing intervention - Student Mental Health Champions Training	To enable students to confidently and happily engage with learning throughout 2020-21, and to support their peers to manage their mental health successfully.	£4,000
Parental engagement of key students e.g. information sessions about tutoring or other support, strategies for use in the home, supported for using a device	Ensuring that all students are fully supported to complete their home learning and revision. This will be particularly important should there be another lockdown.	In house delivery carried out by pastoral and teaching colleagues
Additional devices or laptops	Ensuring all students have access to the technology required to continue learning through the VLC.	School budget (Additional funding usually used for this e.g. refugee, CLA)

**Sandringham** School

Exam preparation and motivation for KS4 and KS5	Additional small group sessions from Martjin Van Der Spoel in the lead up to the March trials for Year 11 and January trials for Year 13 (and Year 10)	£1,000
---	--	--------

**Total expenditure**

<b>Area of expenditure</b>	<b>Total</b>
Teaching	£29,000
Targeted Strategies	£63,400
Wider Strategies	£5,000
Total	<b><u>£97,400</u></b>
Difference between allocation and total spend to be covered by the school budget	£3,800
