

## AQA French A-level – Summer work

### 1. Mini Research project

A major part of your A Level course will be to research, present and discuss a topic of interest to you and relevant to the French-speaking world. To get you into the swing of this way of working, we would like you to choose an aspect of French life/culture, do some research, preferably using French websites, and prepare to present to the group in the first couple of weeks of the new term.

Here are some ideas for topics, but feel free to choose your own.

- French cinema
- French pop music
- French cuisine
- French fashion
- A region of France
- A French artist or musician
- Another French-speaking country

Your presentation should be no more than 5 minutes long and should, of course, be in French. It should also include a visual aspect, perhaps a PowerPoint, a poster or some photographs.

### 2. Grammar

We recommend you buy the following grammar book – “Practice Makes Perfect Complete French Grammar”. (ISBN 978-1-260-46317-0) To revise the present tense, you should do the following pages and exercises to get you used to consulting a grammar during your A Level studies:

Pages 1-4 ex. 1.1 and 1.2

Pages 9-12 ex. 1.8 1.9 1.10

Pages 13-19 ex. 2.1 – 2.7

### 3. Writing

Write a short essay (250-300 words) on the topic covered in your induction lesson with Mme Philip and Mme Sweeney. Use the two texts first to help with ideas and write your answer by hand on the sheet attached.

Textbook – make sure you have a copy for the start of term.
