

## AQA A-level GERMAN– Summer work

### 1. Mini Research Project

A major part of your A Level course will be to research, present and discuss a topic of interest to you and relevant to the German-speaking world. To get you into the swing of this way of working, we would like you to choose an aspect of German life/culture, do some research, preferably using German websites, and prepare to present to the group in the first couple of weeks of the new term.

Here are some ideas for topics, but feel free to choose your own.

- German cinema
- German pop music
- A festival or tradition in a German-speaking country
- A region of Germany
- A German artist or composer
- Another German-speaking country

Your presentation should be no more than 5 minutes long and should be in German. It should also include a visual aspect, perhaps a PowerPoint, a poster or some photographs.
