

Sandringham School

Subject results for GCSE and BTEC level 2 qualifications 2020

We were delighted with the performance of our Year 11 students. They continued the trend of previous years of achieving significantly more highly than their peers nationally. As a result, students were well prepared for studies in Sixth Form or college.

A total of 211 Year 11 students completed their GCSEs at Sandringham. 98% of students secured at least a 4 in English and Maths GCSE (standard pass) with 91% achieving a 5 or over (strong pass.)

Subject results for A-level and BTEC level 3 qualifications 2020

Sandringham operates within the BeauSandVer consortium with Beaumont and Verulam Schools. Some students are taught across the three schools, so we provide you with a subject breakdown for the combined outcomes of the three schools to show the collective outcomes for BeauSandVer.

At Sandringham, we were delighted with the performance of our lovely year 13 students once again, and these results mean our students have been able to secure their chosen career path for the future.

A record 202 Year 13 students completed Level 3 studies at Sandringham, with 169 starting at University and most of the rest taking a gap-year before starting their undergraduate studies. The average points score for A-levels was 45.2, equivalent to a B Grade. 52% of all grades were A*-A and over 82% A*-B with a 100% pass rate for all A-levels.

A total of 487 students undertook Level 3 programmes of study across BeauSandVer and the table below shows the combined subject outcomes. In total, 45% of all grades were A*-A and 75% were A*-B. Once again, we were delighted to work with Beaumont and Verulam in order to provide an outstanding provision for sixth form students.
