Letter No: 41/2021

6th October 2021

Dear Parents / Carers,

To aid your child's Design and Technology GCSE, we have created resource packs which will provide students with all of the necessary equipment that they will need to access the GCSE course this year. The pack will provide the students with the following equipment and materials for the first year of the study.

- An A3 protective wallet
- An A4 Sketchbook
- Clear Revise Revision Guide – D&T 8552 (PGOnline)
- 1 Pack of Sketching pencils (2H-4B)
- 1 Fine liner
- Materials for all of the year 10 projects

The total cost for the pack is £20, which will be a cheaper alternative than if you were to source all of these resources independently.

To order your pack, please make payment via ParentPay by no later than Friday 22nd October and we will aim to deliver each pack to students once this date has closed.

If you have any further queries, please contact either myself or Miss Richards through the normal school communication channels and we will happily answer any questions that you may have.

Yours sincerely,

Alex Neville
Director of Learning for D&T
