Letter No: 45/2021

11th October 2021

Dear Parents / Carers,

Year 7 Reading Intervention

Following the recent CATs tests and English PT tests which all students in Year 7 have completed in their lessons, we have identified your child as a student who would benefit from additional support in reading.

Your child has been chosen for an eight week reading fluency programme which will take place within two of their timetabled English lessons each week. The aim of these sessions is to support your child in making progress to reach age-related expectations. The sessions will be delivered by expert English teachers who are trained in delivering reading fluency intervention. You can find more information on this here: https://the-iee.org.uk/what-we-do/innovation-evaluation-grants/reading-fluency/

Sessions will begin this week and your child will be met in their English lesson by their reading fluency teacher.

If you have any questions related to this please email intervention@sandringham.herts.sch.uk.

Yours sincerely,

Athena Pitsillis
Assistant Headteacher
