Letter No: 110/2022

18th January 2022

Dear Parent / Carer,

I am once again writing with regards to the Spain 2022 Sports Tour from 3rd April to 8th April. Thank you to those families who have contacted me to update me regarding their student's vaccination status. I fully appreciate the issues this has caused and I understand the frustrations that go with this. I am still hopeful we will see a change in regulations, however we have to be prepared that the current rules from Spanish authorities of all entrants being double vaccinated will still stand for the dates we travel.

As a result I need to collate your proposed travel intentions to ensure that we can continue preparations and that booked flights can be confirmed, sports fixtures booked and rooming allocations can start.

If you could please complete this Google form <https://forms.gle/dXQSMmRXBorxGHfH9> which also give you the opportunity to add some additional context. I will be checking this regularly. There will be an opportunity for many students to receive second vaccination in school next **Wednesday 26th January**, although we would also encourage you to use the other vaccination sites in order to guarantee students receive their full dose. If your dates fall outside of this please indicate this on the last question on the form.

Any student who is unable to travel because of these restrictions will be contacted by finance in due course for a refund.

Yours sincerely,

Andrew Cracknell
Associate Assistant Head Teacher & Director of Sports
