## STEM

**Unilever Port Sunlight Yr.12 Work Experience Programme – Closing Date 31<sup>st</sup> December!**

The programme is run in one-week blocks, (Monday-Friday 09:30-15:30), during the weeks commencing 13 June, 20 June, 27 June and 4 July 2022.

It is appropriate for students studying STEM subjects, Business Studies, Psychology etc., and, most importantly, for those individuals with a specific interest in understanding more about how a company like Unilever works. The Programme is managed by 'All About STEM' and any queries should be directed to [helen@allaboutstem.co.uk](mailto:helen@allaboutstem.co.uk), using 'Unilever Y12 Work Experience' in the Subject Line.

[Y12 Work Experience Programme](#)

## 2022 In2ScienceUK Programme – in person

These programmes take place over the summer (25th July to the 26th August 2022) and will enable you to gain access to a wealth of careers, employability and online skills workshops and sessions, connect with like-minded students and experts and gain the knowledge, skills and confidence you need for a future career in STEM.

The programme is free, but some eligibility criteria may apply.

For more info & to apply: <https://in2scienceuk.org/students/>

## Nuffield Research Placements - open now for summer 2022

These are engaging, hands-on research projects, giving Y12 students the opportunity to make a meaningful contribution towards the work of a host organisation. Apply skills and knowledge learned at school and work alongside researchers and industry professionals to:

- Develop subject understanding alongside research and quantitative skills to expand career prospects
- Learn more about higher education and different career paths
- Enhance UCAS personal statements and applications to university.

Go to STEM Learning to check eligibility and to apply: <https://www.stem.org.uk/nuffield-research-placements/students>

### Sutton Trust US Programme 2022 – applications now open

The [Sutton Trust US Programme](#) helps state school students in the UK to explore higher education and US culture. The programme includes UK-based residentials before all students get to visit US universities in the

summer of 2022. An optional part 2 of the programme supports students to apply to US universities alongside their UCAS options.

It is free to take part in the programme. All costs are covered for students including travel, accommodation, food and admissions test preparation.

To be eligible, students must:

- Be in Year 12
- Attend, and have always attended, a state-funded school or college (i.e. non fee-paying)
- Not hold US citizenship
- Be from a low or middle income family (generally a household earning £45,000 or less)
- Be interested in US culture and higher education

**Closing date: 16 January 2022**

Apply here: <https://webportalapp.com/sp/login/usprogramme2022>
