

School Appeals co-ordinated by Hertfordshire County Council

Transfer appeals

Hertfordshire parents access the online system via their [admissions account](#). Parents who live out-of-county or who applied on paper should use Hertfordshire County Council's ('HCC's') [appeals online system](#) and will need to contact HCC's Customer Service Centre on **0300 123 4043** in order to obtain registration details to gain access.

In Year appeals

Hertfordshire parents should use HCC's [appeals online system](#) and all applications are dealt with centrally by HCC's Admission Transport team.

Please be aware that HCC's parent guidance for appeals is found solely on HCC's [web pages](#) now and there is no longer a published document.
