12th October 2022

Dear Parent/Carers,

Year 11 Trial Exams - Monday 21st November - Tuesday 6th December

We are writing with some information regarding the upcoming Year 11 Trial Exams which begin in November after half term.

To support students in planning their revision, Directors of Learning have produced revision lists of specific topics, which can be found attached. For each subject, only topics which are identified in these lists will be examined.

During the two week exam period, students will be on study leave and will only be required to attend school for their examinations. Should students have multiple exams in a day they are welcome to remain on site to revise. Where students only have one examination, they are encouraged to revise at home before and/or after each exam. Students should return to school to resume their normal timetable on **Wednesday 7th December**.

Students will receive copies of these revision lists along with their individual examination timetable via their mysandstorm.org email address. Seating for each exam will be released in advance, however, as changes do occur, students are advised to check their dynamic timetables prior to each exam.

If they have any questions or queries relating to their exams, they should speak to their form tutor. Any queries related to individual subjects can be directed to class teachers.

If you have any further questions related to the trial exams, please direct these via email to admin@sandringham.herts.sch.uk

Yours sincerely,

Dan Smith
