Letter No: 33/2022

21st October 2022

Dear Parent/Carer,

Extended Learning Day – Year 8 Science Museum Trip

On 8th November 2022, Year 8 students in A half will be able to spend the whole day focusing on the Science component of their Key Stage 3 studies. We propose to use this unique day to take **every student** in A-half of the year group to the Science Museum in London.

The trip is a valuable opportunity for students to see dynamic, up to date and interactive exhibitions, which will enhance their understanding of the Science National Curriculum. Students will be expected to hand in some work based on the visit, which will then be assessed.

We will leave school at 8.45am promptly, so it is particularly important that students arrive on time for usual registration at 8.30am. We will return to school at approximately 4.20pm, depending on traffic. Please arrange for your child to be collected from school at this later time, if necessary.

Students are required to wear school uniform and will need to bring writing equipment, a packed lunch, a coat and a clipboard, if they own one. There is a museum shop where students may wish to purchase gifts, however, students will be expected to take responsibility for any money or valuables that they bring with them.

Entry to the museum is free, however, a request for a contribution towards the cost of the coach and workshops has been included as part of the annual ELD contribution. A letter to parent / carers will follow shortly. If an insufficient number of parents / carers are prepared to pay the voluntary contribution, then the trip may have to be cancelled for all students.

We will assume permission for your child to take part in this trip, as per your completed annual visit form we have on file. If you do not want your child to attend this trip, or would like more details, please contact me as soon as possible.

Participation in this trip is subject to good conduct in school prior to the trip taking place. If any student's behaviour or attitude is in question and they are removed from the trip due to their conduct, any monies paid to date will not be refunded.

Yours sincerely,

Julie Malone
KS3 Science Coordinator
