31st October 2022

Dear Year 11 Parent/Carer,

Request for contribution to curriculum enrichment activities: Extended Learning Days 2022-23

Wednesday 28th September marked the launch of this year's Extended Learning Day Programme. Extended Learning Days (or ELDs as they are known at school) provide students with the opportunity to take part in activities not normally part of the mainstream curriculum. These 'super-curricular' activities are designed to enrich and enhance students' experience of particular subject areas by giving them the opportunity to engage in deeper learning and explore a wide range of exciting topic areas in greater depth.

In addition to extending their knowledge of specific subject areas, Extended Learning Days are an important vehicle for developing students' confidence, independence and study skills. To enhance in-school activities on these days, we arrange for guest speakers, theatre companies and other outside agencies to come and give talks, take workshops and lead sessions. As you can also see from the schedule below, there are also some off-site day trips.

Year 11 ELDs 2022-23:

ELD1	28/09/2022	Willen Lake Visit An opportunity for students to take part in a number of land and water-based activities which will provide team and relationship building opportunities as well as helping students to recognise the importance that recreation has when working under pressure.
ELD2	08/11/2022	EDI Focus A day to broaden students understanding of Equality, Inclusion and Diversity.
ELD3	19/01/2023	You're Hired A day designed to support students to make their next steps beyond Year 11. This includes information about apprenticeships, universities and will involve students writing CVs, getting feedback from professionals and taking part in their own one-to-one job interview.
ELD4	01/03/2023	Living Life in the Adult World A day designed to support students and enhance their skills as they approach living in the adult world.

To enable us to give each student the opportunity to benefit from these activities, we are requesting a voluntary contribution towards the cost. Feedback from our Parent Forum Group suggested that, rather than requesting separate contributions for each activity during the course of the year, we should instead request a single payment.

In response to this feedback, we would therefore like to request a total contribution of £26 towards these activities during Year 11. For those students who were away on their Geography fieldtrip and did not participate in ELD 1, the contribution will be £7. This is a voluntary contribution but, without your continued support, it would be very difficult for the school to provide such a range of opportunities.

Please make your payment via ParentPay.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mark Allday
Assistant Headteacher
