Letter No: 46/2022

31<sup>st</sup> October 2022

Dear Year 8 Parent/Carer,

## Request for contribution to curriculum enrichment activities: Extended Learning Days 2022-23

Wednesday 28<sup>th</sup> September marked the launch of this year's Extended Learning Day Programme. Extended Learning Days (or ELDs as they are known at school) provide students with the opportunity to take part in activities not normally part of the mainstream curriculum. These 'super-curricular' activities are designed to enrich and enhance students' experience of particular subject areas by giving them the opportunity to engage in deeper learning and explore a wide range of exciting topic areas in greater depth.

In addition to extending their knowledge of specific subject areas, Extended Learning Days are an important vehicle for developing students' confidence, independence and study skills. To enhance in-school activities on these days, we arrange for guest speakers, theatre companies and other outside agencies to come and give talks, take workshops and lead sessions. As you can also see from the schedule below, there are also some off-site day trips.

### Year 8 ELDs 2022-23:

ELD1	28/09/2022	<b>Sustainability and Marketing</b> An opportunity for students to work together to manufacture and market a product which they will showcase at our Sandringham Design and Enterprise Expo.
ELD2	08/11/2022	<b>Urban Development Day/Science Museum (half year group per visit)</b> Either an investigation into urban development in St Albans introducing essential Geography fieldwork techniques or a visit to the Science Museum to enrich the students' understanding of science. The year group will be split over ELD 2 and 3.
ELD3	19/01/2023	<b>Urban Development Day/Science Museum (half year group per visit)</b> Either an investigation into urban development in St Albans introducing essential Geography fieldwork techniques or a visit to the Science Museum to enrich the students' understanding of science. The year group will be split over ELD 2 and 3.
ELD4	01/03/2023	<b>Musical in a Day – The Lion King</b> An opportunity for all students to be involved in a collaborative arts experience and stage a famous West End production in a day.

ELD5	05/07/2023	<b>Sports Day</b> Exactly as it sounds, a day of competitive sporting activities the results of which have a significant impact on who will win the House Cup!
ELD6	19/07/2023	<b>House Day</b> The final House Event of the year, a day of physical and mental competitions and challenges to determine who will be crowned House Champions 2022-23.

To enable us to give each student the opportunity to benefit from these activities, we are requesting a voluntary contribution towards the cost. Feedback from our Parent Forum Group suggested that, rather than requesting separate contributions for each activity during the course of the year, we should instead request a single payment. Please note that this payment does not cover activities during E-Week.

**In response to this feedback, we would therefore like to request a total contribution of £24 towards these activities during Year 8. This is a voluntary contribution but, without your continued support, it would be very difficult for the school to provide such a range of opportunities.**

Please make your payment via ParentPay.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mark Allday  
Assistant Headteacher
