Dear Parent/Carers,

A level Performance evening and examination

Your child has been preparing for their A level dance practical exam where they are required to perform one solo, a quartet performance and create a group choreography. This exam contributes towards their performance unit which is 50% towards their A level Dance grade.

I wanted to inform you that we are yet to receive confirmation of the official examination date (this is dictated by AQA) but hoping for the end of March. We will inform you when we have a confirmed date and time for this live examination.

We have confirmed the A level performance evening for Thursday 2nd March at 5pm in the dance studio. This is an opportunity for students to receive valuable feedback in in a mock preparation for their practical exam later in the year, and is compulsory for all A level students to attend. It is a free event and I hope you are able to attend.

Thank you in advance for your support to your child at this busy time and should you have any queries regarding the arrangements for the exam, please do not hesitate to call or email the Dance Faculty via the following email address:

Yours sincerely,
