Letter No: 153/2023

15th March 2023

Dear Parents/Carers,

Re: Strike day – Thursday 16th March 2023

We have analysed our staffing situation for Thursday 16th March (tomorrow) and have decided to adjust our plans and ask **all Year 9 students to continue working remotely on this day**, as they are doing today. In addition to those staff who will be taking strike action, there is some known staff illness and the combined impact means we are not able to cover all lessons without significant disruption to learning. We have decided to prioritise Year 10 (GCSE year) so they will be in school, and will make sure that if there are any future days of strike action (none are planned at the moment) that we prioritise Year 9.

I do apologise for the late notification and fully understand how disruptive this is for you. We normally stick with our original plans to minimise last minute turbulence, however this step is necessary.

To confirm, all Year 9 students will continue with their remote learning from home on Thursday 16th March 2023. School will be back to normal on Friday 17th March.

Thank you for being so understanding and let us hope that the government are able to reach a resolution soon.

Yours sincerely,

Alan Gray
Headteacher
