Dear Parents / Carers,

KS3 Summer Assessments – Year 7

In the Summer Term Year 7 students will sit formal assessments in each of their subjects, during their timetabled lessons. These assessments will take place in timed conditions to give students an opportunity to showcase their learning and progress. Assessments will be marked and moderated in line with school policy and the results will be shared with students during lesson time.

The Year 7 Assessments are scheduled to take place between **Monday 15th May and Friday 26th May**. Individual class teachers will confirm the precise date of the assessment in each case.

At the end of the year, in our summer reports, students will receive a holistic end of year grade which also takes into account their progress in these assessments. Below you will find an overview of the assessments. Subject teachers will provide students with guidance around revision and expectations in their lessons.
