9th March 2023

Dear Parent/Carer,

Year 11 Revision and Support Sessions

I am sure you are aware that the exam period is fast approaching, therefore, I am writing to notify you of the revision and exam preparation sessions being offered by Sandringham staff during the holiday periods between now and the exam season. English, Maths and MFL are also offering "Supercram" sessions on particular Saturdays and Sundays before a public examination in that subject. While the sessions are not compulsory, we strongly advise that you consider these opportunities and, where possible, encourage your child to attend.

A full schedule of the revision and support sessions can be found overleaf.

The sessions will cover crucial tips for revision, as well as support students in the revision they do at home. They will provide students with the chance to re-align their revision, gain additional revision resources and 'talk to the experts' during the holiday period. It should be noted that attending these sessions must be supplementary to your child's own revision efforts which they will need to dedicate extensive time to over the Easter and May Half Term holidays.

If you would like to book one or more of the sessions, please complete the Google Form accessible via this link - <https://forms.gle/g7NkRYzBQ1HnkdAs8>. Following the completion of this form, please make your payment at www.parentpay.com entering the total amount payable (you must submit the form as well so we know which sessions you are booking). For students in receipt of Free School Meals or Pupil Premium funding, please contact the finance office via email (admin@sandringham.herts.sch.uk) as there is funding in place to cover the full cost of attending these revision sessions. Each session costs £5.

The deadline for **ALL** bookings is **Monday 27th March, 9.00am**. Sessions which are under allocation (fewer than 10 students) will be cancelled by Friday 31st March and parents/carers will be notified.

Yours sincerely,

Mark Allday
Assistant Headteacher
