Letter No: 194/2023

24th May 2023

Dear Parent/Carer,

Year 12: University Open Days / Parents' Futures Information Evening

We are contacting you and students as we are starting to receive queries about attending university open days. On **Wednesday 28th June**, Year 12 will not be attending school. They will be given this day to attend an open day of their choice as many universities will be scheduling one on that day. You might wish to use the UCAS Open Day Finder to ascertain which institutions are participating in this (<https://www.ucas.com/explore/search/events>). They do not have to go and the subject teachers on that day will also set some work to complete.

Generally, we advise that students attend open days on weekends where possible. However, there may be some that they have to attend on a school day. If this is the case, they need to complete a blue form in advance so that we are aware of their planned absence. This is available in the Sixth Form.

We are also hosting a **Parents' Futures Information Evening about university and apprenticeship applications on Wednesday 14th June at 6.30pm in the main hall.** It will provide useful information about all processes for parents/carers as students start to make decisions about their future. The evening should last approximately 30 minutes.

We will communicate further with you after the half-term holiday about other key dates and events in the final half term for Year 12.

Yours sincerely,

Katie Clifford
Performance Director: Year 12
