Letter No: 210/2023

6th June 2023

Dear Parent/Carer,

Year 9 Modular Curriculum

In preparation for Year 8 students moving to Year 9, I would like to introduce you to the Modular Curriculum, an innovative feature of Sandringham's Year 9 curriculum. The module structure allows students in Year 9 not wishing to study Spanish as a second language, to begin to personalise their timetable by opting into a wide range of modules for 2 hours per week.

Modules are designed to enrich students' Year 9 curriculum, giving students the opportunity to study subjects they enjoy in greater depth, try their hand at something new, get a taste of subjects not traditionally offered until GCSE or A Level and even to gain a qualification. We have a wide range of modules on offer from Personal Finance to Debating, Forensic Science to Mandarin.

This week on Friday 9th June, I will be introducing the modules to Year 8 students in their morning assembly. After school on Monday 12th June, we will be hosting a Module Fayre (3:10pm to approximately 4pm) in the main hall for students to learn more about the different modules on offer from the teachers that lead them.

You can access a copy of the module options information booklet on our website here: <https://sandringham.herts.sch.uk/year-8-into-9-modules/> and we would be pleased if you could talk to your child about this process over the next week.

Yours sincerely,

Caroline Creaby
Deputy Headteacher

Rich Davis
Performance Director: Year 8
