Dear Parent/Carer,

Sandringham Fit for Life Week 2023 – Charity Run

In the week commencing July 3rd, Sandringham will be hosting another ‘Fit for Life’ week which will give our students the opportunity to take part in a range of physical activities and sports. The aim of this week is to inspire our young people to make the most of every opportunity and try to find a passion in something which will keep them fit and healthy throughout life. Along with the traditional sports, the sessions on offer throughout the week will be those that we do not have on our curriculum. During this week, we will also be running sports day and the charity run.

With the organisation of the charity run already underway, we are extremely excited about seeing our students participate in this annual event. They will all be completing our 6k course on Friday 7th July by either running, jogging or walking. Whilst the event will be competitive for a number of students and teachers, the main aim is to raise money for our three school charities.

Our current charities were voted for by our students and will be in place for the next three years. Our two local charities are ‘Herts for Refugees’ and ‘Youth Talk’, and our International charity is UNICEF. Through multiple fundraising opportunities, we are hoping that we can support them for the foreseeable future and look forward to sharing with the students how the money raised has benefitted those in need. Please take a look at their websites to see the amazing work they do.

There will be a parent pay set up so please give what you can to support this wonderful event. With around 1200 students taking part, we should be able to help these charities immensely.

Thank you for your support.

Yours sincerely,

Mr Keenleyside
Director of Sport
