Letter No: 007/2023

8<sup>th</sup> September 2023

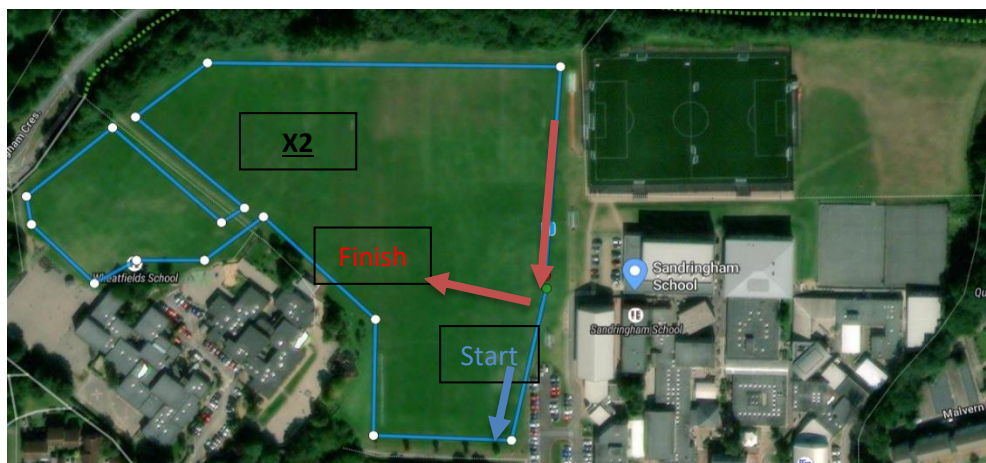

Dear Families,

## Mob Race – Tuesday 12<sup>th</sup> September 2023 – Year 7 Event ONLY

One of the first events on the school calendar is always the Year 7 Mob Race. This is the first opportunity that Year 7 students have to represent both their house and their school in a district-based competition. It is a 2.0km race around the school campus against the rest of the schools in St Albans and Harpenden. Our aim is to encourage as many students from the year group to participate and compete against their peers on an inter and intra school basis, often against some of their old class mates from junior school.

Students may have an opportunity to see the course and practise in their PE lesson if they have this before Tuesday. We encourage as many students to participate as possible and this is a great opportunity to demonstrate to us and their peers' levels of commitment and excellence. We hope to have your support in this event and that your child will relish the opportunity to run on Tuesday, most importantly having fun.

Students will be expected to compete in their PE kits, including trainers and can stay after school for the event, however with a 16:15 start they may want to go home first. The races and presentations should be finished by 17:15 and parents are more than welcome to spectate.

Route 2023-2024  
Complete 2 laps (Finish on second lap following the red arrows)  
Distance 2.3km

Yours sincerely,

David Keenleyside  
Director of PE
