Acting Deputy Headteacher: **Mark Allday, BSc (Hons)**
Acting Deputy Headteacher: **Kate Mouncey, BSc (Hons), MA**

Letter No: 016/2023

12th September 2023

Dear Families,

My-GCSE Science – Year 9

As a Science Faculty, we are keen to support our Year 9 students as they develop their learning in Biology, Chemistry and Physics, and that they have access to multiple resources to support their studies. The school is investing a significant amount into online revision resources to support students in their learning in Science including Educake, an online quizzing tool, and my-GCSE Science which provides video tutorials, and exam questions.

A two-year subscription to my-GCSE Science usually costs £50 per student, however we have managed to secure a significant discount and are making a request for a contribution of **£10.80 per student** towards the cost of a two-year subscription.

If you would like to purchase my-GCSE Science please make payment via ParentPay by Monday 18th September.

Yours sincerely,

Lucinda Archer-Jones
Director of Learning: Science
