Dear Families,

Curriculum Survey: Parents

I am writing to you to ask for your feedback about Sandringham's curriculum. By the curriculum, I mean the taught subjects we teach, but also the extra-curricular and other opportunities we provide in addition.

I would be really grateful if you could give up just one minute of your time to answer this very short and important survey about your perception of our school's curriculum. If you have more than one child at the school, you only need to complete the survey once - there is an option for you to select which years the children in your family are in.

This survey has been designed in conjunction with our Multi Academy Trust - the Alban Academies Trust - in order to build our knowledge of the curriculum from all stakeholders' perspectives. The responses will be important in shaping our curriculum offer going forward. For information, a very similar survey is also going to students and staff in the coming weeks.

Thank you in advance for your support in completing the survey.

Yours sincerely,

Kate Mouncey
Acting Deputy Headteacher
