Letter No: 043/2023

13th October 2023

Dear Families,

Year 11 Trial Exams – Monday 20th November - Tuesday 5th December

We are writing with some information regarding the upcoming Year 11 Trial Exams which begin in November after half-term.

To support students in planning their revision, Directors of Learning have produced revision lists of specific topics, which can be found attached. For each subject, only topics which are identified in these lists will be examined.

During the two-week exam period, students will be on study leave and will only be required to attend school for their examinations. Should students have multiple exams in a day they are welcome to remain on site to revise. Where students only have one examination, they are encouraged to revise at home before and/or after each exam. Students should return to school to resume their normal timetable on **Wednesday 6th December**.

Students will be able to access the Revision List via the Year 11 Google Classroom. Seating for each exam will be released in advance, however, as changes do occur, students are advised to check their dynamic timetables prior to each exam.

If they have any questions or queries relating to their exams, they should speak to their Form Tutor or specific Subject Teacher.

If you have any further questions related to the trial exams, please direct these via email to admin@sandringham.aat.school

Yours sincerely,

Elliot Bailey
