

Letter No: 060/2023

1st November 2023

Dear Families,

BeauSandVer Education Trust

CONSORTIUM INFORMATION EVENING **Date: Thursday 2nd November 2023 at 7pm**

I am writing to invite you to the online BeauSandVer Consortium information evening. For over twenty-five years, Beaumont, Sandringham and Verulam schools have worked very closely with each other to provide students with the widest possible curriculum choice at Post 16.

At 7pm on November 2nd, you will be able to view a recorded presentation, plus a range of other information to support discussions about options beyond Year 11. The curriculum options will be introduced and the range of routes students can take. We will also provide information about BSV and the application process. The recorded presentation and information will be hosted on the updated BSV website after 7pm this Thursday. There will be link to the BSV website on the sixth form admissions page of the Sandringham website <https://sandringham.herts.sch.uk/sixth-form-admissions/> There will be a red click box entitled 'BSV Information Evening Presentation 2023' for you to access the recorded 2023 presentation.

In January, each school will hold an "Into the Sixth" evening offering much more subject-specific detail about individual curriculum choices.

Yours sincerely,

Zoe Shepherd
BeauSandVer Consortium Coordinator
