1 INTRODUCTION

1.1 This policy represents the response of the Alban Academies Trust (AAT) and its commitment to meeting the Equality Act (2010). The policy sets out how our practice and policies are committed to:

1.1.1 Ensuring our schools offer an inclusive community that welcomes and celebrates differences. Full and meaningful partnership with parents and professionals and the active involvement of other members of the local community, is also highly valued. Our ethos and our values will actively seek to promote equality and tackle discrimination by:

1.1.1.2 establishing a climate in which diversity is understood to be a strength of the community and is celebrated as such;

1.1.1.3 ensuring that no member of the school community feels disadvantaged due to their membership of a particular group;

1.1.1.4 creating a climate where people are able to speak openly about their experiences;

1.1.1.5 following agreed procedures for dealing with incidents, and ensuring that all members of the school community are fully conversant with them;

1.1.1.6 following the monitoring procedure to record all incidents and subsequent action;

1.1.1.7 keep a formal record of all racist incidents and bullying incidents and to report on the nature and frequency of any racist incidents annually to the LA.

1.2 This policy incorporates and therefore replaces previous public sector equality duties such as the individual schools' Disability Equality Statement, Equal Opportunities Policy and Race Relations Policy. It therefore encompasses the following protected characteristics as defined by The Equality Act 2010 which protects students from discrimination and harassment based on protected characteristics:

1.2.1 disability

1.2.2 sex

1.2.3 age

1.2.4 ethnicity and race

1.2.5 gender reassignment

1.2.6 religion and belief

1.2.7 sexual orientation

1.2.8 pregnancy and maternity

1.2.9 marriage and civil partnerships

1.3 This policy follows the Department for Education guidance on the actions that schools need to take to comply with equality and diversity legislation, and our definitions align with their guidance. Our General Duty under the Equality Act 2010 is to set out how our practice and policies have due regard to the need to:

1.3.1 eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;

1.3.2 advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;

1.3.3 foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

1.4 The specific duties require the AAT to:

1.4.1 publish annually information quantitative and qualitative, showing compliance with the public sector equality duty (PSED) set out in clause 149 of the Equality Act 2010;

1.4.2 set every three years one or more specific measurable equality objectives that further the aims of the equality duty.

1.5 Most importantly, this policy also supports each individual school's vision and values.

2 TRUST ARRANGEMENTS

This policy has been developed at Trust level and therefore covers policy that is relevant and followed by all the schools within the AAT. The Appendices contain specific actions each school is taking to deliver this policy.

3 PRINCIPLES

3.1 Principle 1: All members of the whole school community are of equal value

- 3.1.1 whether or not they are disabled
- 3.1.2 whatever their ethnicity, culture, national origin or national status
- 3.1.3 whatever their gender and gender identity
- 3.1.4 whatever their religious or non-religious affiliation or faith background
- 3.1.5 whatever their sexual identity

3.2 Principle 2: We recognise and respect difference

Treating people equally (Principle 1 above) does not necessarily involve treating them all the same. Our policies, procedures and activities must not discriminate but must nevertheless take account of differences of life-experience, outlook and background, and in the kinds of barrier and disadvantage which people may face in relation to:

- 3.2.1 disability, so that reasonable adjustments are made
- 3.2.2 ethnicity, so that different cultural backgrounds and experiences of prejudice are recognised
- 3.2.3 gender, so that the different needs and experiences of all are recognised
- 3.2.4 religion, belief or faith background
- 3.2.5 sexual identity

3.3 Principle 3: We foster positive attitudes and relationships, and a shared sense of cohesion and belonging. Our policies, procedures and activities promote:

- 3.3.1 positive attitudes towards disabled people, good relations between disabled and non-disabled people, and an absence of harassment of disabled people;
- 3.3.2 positive interaction, good relations and dialogue between groups and communities;
- 3.3.3 different from each other in terms of ethnicity, culture, religious affiliation, national origin or national status, and an absence of prejudice-related bullying and incidents;
- 3.3.4 mutual respect and good relations between all genders, and an absence of sexual and homophobic harassment.

3.4 Principle 4: We observe good equalities practice in staff recruitment, retention and development We ensure that policies and procedures should benefit all employees and potential employees, for example in recruitment and promotion, and in continuing professional development:

- 3.4.1 whether or not they are disabled
- 3.4.2 whatever their ethnicity, culture, religious affiliation, national origin or national status
- 3.4.3 whatever their gender and sexual identity, and with full respect for legal rights relating to pregnancy and maternity

3.5 Principle 5: We aim to reduce and remove inequalities and barriers that already exist In addition to avoiding or minimising possible negative impacts of our policies, we take opportunities to maximise positive impacts by reducing and removing inequalities and barriers that may already exist between:

- 3.5.1 age (for staff only)
- 3.5.2 disability
- 3.5.3 ethnicity and race
- 3.5.4 sex
- 3.5.5 gender reassignment
- 3.5.6 Pregnancy and maternity and breast feeding
- 3.5.7 religion and belief
- 3.5.8 sexual orientation

3.6 Principle 6: We consult and involve widely

We welcome the engagement of people from broad and diverse backgrounds and of different abilities when engaging with issues surrounding protected characteristics (Equality Act 2010). When deciding what to do to tackle equality issues schools will consult and engage with people affected by our decisions, parents, children, staff, members of the local community and with people who have special knowledge which can inform a school's approach.

3.7 Principle 7: Society as a whole should benefit

Our policies and activities should benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in public life for all.

3.8 Principle 8: We base our practices on sound evidence

We maintain and publish quantitative and qualitative information showing our compliance with the public sector equality duty (PSED) set out in clause 149 of the Equality Act 2010.

3.9 Principle 9: Objectives

3.9.1 We formulate and publish specific and measurable objectives, based on the evidence we have collected and published (principle 8) and the engagement in which we have been involved (principle 7).

3.9.2 The objectives which we identify take into account national and local priorities and issues, as appropriate.

3.9.3 We keep our equality objectives under review and report annually on progress towards achieving them.

6. INFORMATION

- 6.1 Our Equality Impact Assessment process (EQIAs) helps us to analyse whether what we are planning potentially has a differential impact on one or more particular group (either positively or negatively). EQIAs help us to ensure that there is no unlawful discrimination against certain individuals or groups and that the positive duties are promoted.
- 6.2 Accordingly we collect a range of information relating to incidents of harassment and bullying including those relating to racism, homophobia, disability and gender.
- 6.3 We value more qualitative information which may be given to us through a variety of mechanisms. We conduct student voice activities such as anti-bullying questionnaires.
- 6.4 The Local Authority provides us with a range of services which support the equality agenda and helps us to identify our strengths and those areas requiring action.

7. CONSULTATION

- 7.1 We welcome the involvement of people from broad and diverse backgrounds and of different abilities when engaging with the issues surrounding protected characteristics (Equalities Act 2010) and the involvement of a variety of people is critical to the success of equality schemes. Parents and students were consulted on the development of this policy and action plan through focus group meetings, and staff have also been invited to contribute directly.
- 7.2 Parents and carers of students with disabilities are invited to contribute directly, and we record and review the points they raise. In addition to this, they are able to meet with the SEND team at formal school parent teacher consultations, or whenever need arises.
- 7.3 We invite feedback from organisers of groups who rent our facilities for activities, and our website has details of how other site users can contact us about any issues, including equality.
- 7.4 We invite governors' input to the policy and action plan through the work of the relevant committees in each school.
- 7.5 When deciding what to do to tackle equality issues, we will consult with and engage both the people affected by our decisions and with people who have special knowledge to inform our approach. Evidence of engagement will be included in material published by each school showing how the duty has been addressed.
