What is National Apprenticeship Week?

From the **5th to the 11th February**, the UK will be celebrating NAW 2024. The theme this year is '**Skills for Life**'.

The week offers a mix of **talks, events, and advice** all about how to apply for an apprenticeship or simply learn more about which ones are available.

It will aim to shine a light on how apprenticeships can help individuals to **develop the skills and knowledge** required for a rewarding career, and businesses to develop a talented workforce that is equipped with future-ready skills.
