Mobile phones and devices

All devices are obviously brought at own risk.

There will be times where phones will be banned (such a evening meals)
in order to achieve “conversation”

Inappropriate use is likely to bring school sanctions on our return and is
likely to result in confiscation.

Pocket money

There will not be many occasions where pupils will need to buy things.

They will need money for food (or provide own lunch/snacks) on travelling days (Monday & Friday), plus any snacks/drinks outside of 3 daily meal times + any souvenirs etc.

ANY MONEY NEEDS TO BE IN EUROS AND WE WOULD ASK THAT IT IS IN SMALL DEMONINATIONS, RATHER THAN LARGE NOTES. PLEASE BRING THIS IN A PERSONALISED ENVELOPE/MONEY BAG.

We will run a 'bank' daily so that students do not need to look after all their money.

Rooms

Pupils will fill in a sheet TONIGHT outlining:

- 2 pupils, who they would prefer to room with.
- Any pupils who they may have an issue rooming with.

Sandringham PE staff will be allocating rooms, doing our best to keep everyone happy. One main consideration will be ensuring that room combinations result in good behaviour.

We would remind all tourists that time in rooms will be limited and should not dominate thinking.

Behaviour expectations

As a school trip, expectations around manners, acceptable behaviour and language will be enforced at all times.

Staff will be treating pupils with respect and we would expect all tourists to behave appropriately both on and off the pitch.

Extremes of behaviour will use the school disciplinary system on our return.

Any damage caused to rooms, hotel or venues we visit is likely to result in a personal bill.

An extreme circumstance, which raises safety concerns or brings the school into disrepute could result in a pupil travelling home early – at their parents expense.

We would expect this to be an amazing trip, all pupils need to come with an attitude which allows this.
