The high standard of their work and excellent achievement in national assessments reflect the exceptional quality of education they receive.

OFSTED

## 'All About Me' Survey

As we begin the process, we would like to know as much about our new students as we possibly can, in order to facilitate an enjoyable transition for all involved. Please complete the 'All About Me' survey via the link below. Over the next half term, Mr Kemp will be visiting all primary schools to meet Y6 teachers and students. During the visits, Mr Kemp will provide information about the transition timeline, about what it is like to be a Sandringham School student, and provide an opportunity for students to speak about what might be worrying them about their move to secondary school.

## Year 6 into 7 BYOD Information

Please find below the Bring Your Own Device – Chromebooks 2024 Guide for Parents and Carers.

**We will get you prepared  
and ready to go...**

Induction Evening - **Monday 1st  
July**

Induction Day - **Thursday 11th July**

**Sandringham School**

*'Everybody can be Somebody'*

In September, it's time to hit  
the road!

**Sandringham School**

*'Everybody can be Somebody'*

# Welcome to the class of 2024!

# OPPORTUNITY

**Sandringham School**

*'Everybody can be Somebody'*

The purpose of Summer Starters is to provide transition support and enrichment opportunities to Year 7 students joining Sandringham School in September 2024. Students can join for the whole week of the 19th-23rd August or just selected days.

The cost for the summer camp is £35 per day, or £155 for the whole week. Those students who are eligible for pupil premium funding will be supported to attend the summer camp by this funding allocated to the school.

All enquiries to:

[admin@sandringham.aat.school](mailto:admin@sandringham.aat.school)

The week was brilliant from start to finish, we are so grateful our child got to experience this, as he is now excited about starting. He particularly enjoyed the drama and the science lessons.

I think you did an amazing job and my son thoroughly enjoyed the whole experience. He's gained confidence in knowing his way around the school and has already made some new friends so he's found it a really positive experience and I'm really glad I signed him up for it.

A wonderfully run week with a great mix of work and fun. Well done and thank you for such a brilliant week

Feedback from previous years

# One to One Device Programme 2024

Mr Allday - Acting Deputy Headteacher

**Sandringham School**

*'Everybody can be Somebody'*

# Introduction to our one to one device programme

- Since 2014 we have run a successful BYOD programme
- Students use devices and technology across the curriculum
- We use a 'blended learning' approach, allowing teachers as the subject specialist to choose the most appropriate method
- We use a range of tools to support learning in and outside of the classroom
- We make all digital resources used within lessons available to students via Google Classroom
- We set all homework tasks via Google Classroom - parents receive information via Google Guardian Summaries

A portrait of Mark Allday, an Assistant Headteacher, in a dark suit and tie. The background is a blurred office or school setting.

**MARK ALLDAY**  
ASSISTANT HEADTEACHER

We have 1,700 students on roll  
with 500 students in sixth form.

# What are the requirements of our BYOD programme?

- All students joining the school require a Chromebook
- We have worked directly with device manufacturer, ASUS, to build a custom specification Chromebook
- This device has been built to meet the demands of an educational setting, taking account of the power and performance of key hardware but also its durability
- Unlike consumer units ordinarily purchased from a high street or online store, this device has been vigorously tested for an educational setting

# Our custom-specification device

## ASUS Chromebook Flip CR1104FGA

- Processor: Intel® N100 Processor
- Memory: 8GB LPDDR5 on board RAM
- Display: 11.6" HD (1366 x 768) Touch Screen
- Storage: 32GB eMMC

- Interface: 2x USB Type-A ports, 2x USB Type-C ports, with display and power delivery support, 1x 3.5mm Combo Audio Jack, 1x Micro SD card reader
- Additional Features: Front Facing Camera: 720p HD and World Facing Camera. Stylus. Rubberised edges. Gorilla Glass protected screen.
- Weight: 1.45kg
- A **5 year** manufacturers warranty

**Sandringham School**

*'Everybody can be Somebody'*

### All-round Rubber Bumper

Reduces the impact from any accidents

### Spill-Resistant Keyboard

Survive from accidental spilling of water.

### Pressure-resistant display

30kg force on lid and bottom without display damage

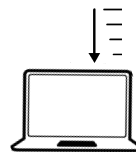

### Military Grade Reliability

Tested with industry-leading US military-grade MIL-STD-810H durability standards

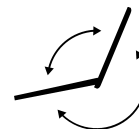

### Robust I/O ports

5,000 times tests to ensure the physical durability of I/O ports

### 120cm drop-resistant

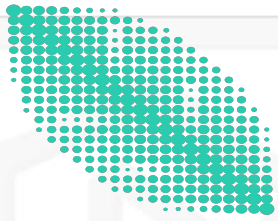

Tested 120 cm height drop with power on to mimic chest height to ground accidents

### Reinforced Hinge Connection

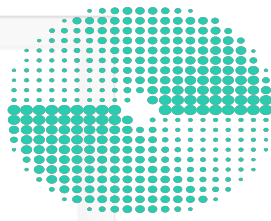

Up to 50,000 open-and-closed cycles tests

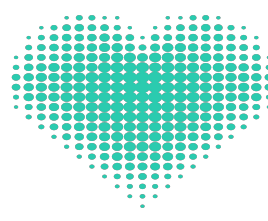

## NET-ZERO

- Average energy efficiency of laptops exceeded Energy Star by 37.6%
- Carbon emissions from operational electricity consumption dropped 15.8% by YoY in 2021
- Selected by the Financial Times as one of the climate leaders in the Asia Pacific region in 2022

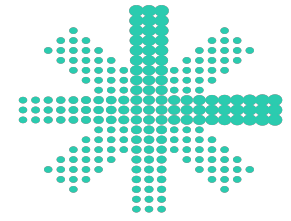

## CIRCULAR

- Eco Friendly Product revenue exceeded 86.6%
- Halogen-free components accounted for 85.1%
- 90% of laptop packaging recyclable and made from recycled pulp
- Over 33,000 tonnes of E-waste recycled since 2019

## RESPONSIBLE

- 100% Completed annual ESG audit for all high-risk suppliers
- Protected the labor rights of more than 390,000 works (Data from 2013 to 2021)
- 100% of the key metals (tantalum, tin, tungsten, gold) are from qualified smelters

## SHARED

- Donated more than 20,000 new and refurbished computers since 2008
- Received recognition for the indicators "Influence" and "Globalization" in the Top 100 Global Innovators 2021
- Received the Corporate Innovation Award at the 18th National Innovation Awards

# Purchasing our custom-specification device

- Albion are our chosen reseller for this device
- A parent portal is accessible to purchase the device
- There are two payment options - in full or via a finance agreement
- Two levels of optional products offered - Accidental Damage Cover and Extended Battery Warranty (both 5 years)
- All claims handles directly with the manufacturer ASUS

**Albion**

**Sandringham School**

*'Everybody can be Somebody'*

Thank you for visiting the Sandringham Chromebook Portal.

You can now purchase the the Asus CR1104 Bundle. The bundle includes a Chromebook, Sleeve and Device Management. Then you can optionally add an extended battery warranty and or optional accidental damage coverage from ASUS.

All devices will be delivered to Sandringham School and distributed to students in early September.  
The deadline for placing order is Friday 21st June 2024.

Pay by Klarna or card at checkout.

For order queries please [email us](#).

### Chromebook Bundle

#### Bundle Contents

- Order deadline - **Friday 21st June 2024**
- Shipping and delivery - The device will be shipped to school and will be handed to your child in early September

**Sandringham School**

*'Everybody can be Somebody'*

# Protecting your child's device

- It is important that your child's device is appropriately protected. Every Chromebook will be provided with a sleeve style case
- It should be noted that the loss, damage or breakage of a personal device is **not** covered under school insurance. The school is **unable** to pay for the cost of repairs or replacements
- We highly recommend that devices are covered by an appropriate insurance policy

# Support and funding available

- We are fully committed to removing any challenges or barriers to students accessing learning
- For students who are currently in receipt of Free School Meals or have received Free School Meals at any point in the past six years, we are able to use Pupil Premium funding to support our loan device scheme
- This scheme enables the school to issue a fully insured device to your child with only a small financial contribution from parents/carers
- For further information or to acquire a device through this scheme, please contact Gemma Lovett, Pupil Premium Coordinator by emailing [admin@sandringham.herts.sch.uk](mailto:admin@sandringham.herts.sch.uk)
