## Sixth Form Confirmation of Courses – September 2024

You have now received your results. Please complete the form overleaf.

You will see the subject offer that we made before the start of the exam period. In order to check that the course you have opted to study is still appropriate you should do the following:

### 1. Subjects Studied:

Please list the subjects you have studied at GCSE, BTEC Level 2. Please indicate your exam grade including any that were below a 4 grade.

### 2. Calculate your Average Point Score (APS)

**Add together** all the points for your grades (remember Double Science counts as two GCSEs) on the basis of GCSE: 9-1

BTEC: Pass = 4, Merit = 5.5, Distinction = 7, Distinction\* = 8.5

**Then divide** by the number of subjects taken. You can include up to two BTEC subjects. Each BTEC counts as one GCSE.

*Please note that we expect a minimum of 8 GCSEs (or equivalent) to be used in this calculation. To find your APS where fewer qualifications have been sat the total point score should be divided by 8.*

#### Example:

Eng. Lang 8, Eng. Lit. 7, Maths 9, Chemistry 7, Physics 7, Biology 7, Art 7, French 7, P.E. 7, & History 9

The total points for the ten subjects are (8+7+9+7+7+7+7+7+7+9) 75/10 = 7.5 APS

**Your choices:** Check the minimum subject specific entry criteria
