

Business & Economics trip to Belgium 2024

Destination

The **Hostel Bruegel** is situated in the centre of Brussels and approximately a 5 minute walk from The Grand Place, which is one of the main attractions of the picturesque city of Brussels.

The accommodation is a hostel so facilities are basic. Students may wish to bring items like extra pillows if they wish to feel more comfortable. However, there is internet access and a lounge area.

The trip is half-board so breakfast and dinner will be catered for. There are various local shops so that students can get items they feel they need for morning, lunch and evenings.
