Understanding the report:

In this report, subject teachers will provide a grade for '**Current Attainment**' and a '**Predicted Grade.**'

In addition, subject teachers will provide an assessment of each student's performance against our three Core Competencies. An explanation of each is given below.

- **Attitude to Learning (AtL)** - An assessment of this student's attitude towards - and engagement with - the subject. AtL grades will reflect a number of indicators including effort and application in lessons, verbal contributions, quality of written work, and focus and engagement.
- **Home Learning (HL)** - An assessment of the quality and consistency of this student's Home Learning, as well as the effort the student is exerting.
- **Organisation and Deadlines (Org)** - An assessment of this student's organisation (including equipment) and their consistency in meeting Home Learning deadlines.

Note that Home Learning is not applicable to all subjects.

For each of the above, students will receive a grade from **1 (Excellent) to 4 (Cause for Concern)**.

Full guidance on our reporting - including a detailed explanation of the 1-4 grading system, is attached as a PDF to this message.

If you have any questions about the report, please direct them to individual subject teachers via: admin@sandringham.aetrust.uk

Yours sincerely,

Rhiannon Chapman
